

The person who works with his hands is a laborer; the person who works with his hands and his head is an artisan; the person who works with his hands, his head and his heart is a member of the UA.

Welcome to the Plumbers & Pipefitters Local Union 286 website. Our jurisdiction covers much of the Central Texas area. Our jurisdiction includes the following counties: Travis, Williamson, Hays, Bastrop, Caldwell, Blanco, Burnet, Llano, San Saba, Lampasas, Bell, Lee and Mason.

If you are a visitor wishing to find out more information about our industry and our association, feel free to explore this site and discover for yourself what makes our United Association unique and special and how we at the Plumbers and Pipefitters Local Union 286 office can assist you.

The United Association is over 300,000 members strong and growing. For over 100 years, the United Association has been changing the way people live and work, developing and installing piping systems that protect our health, save our lives, make us comfortable, keeps industry productive, and much more.

If you are a member of the United Association, be sure to visit the members only area for information and features that pertain to you and to find out just what is happening in our Local Union 286 office.

Thank you for visiting the Plumbers & Pipefitters Local Union 286 website. Return often for exciting updates and news.

Please feel free to contact us with suggestions and comments on how we may better serve you through our office and this site.
